

## **HANOI UNIVERSITY OF MINING AND GEOLOGY**

### **INTERNATIONAL CONFERENCE**

#### **ON ECONOMIC MANAGEMENT IN MINERAL ACTIVITIES – EMMA 4**

### **CALL FOR PAPERS**

EMMA was first organized at Hanoi University of Mining and Geology in 2013. Since then, the conference is confirmed to be organized every two years, in collaboration with Technical University Georg Agricola Bochum, Germany.

During EMMA conferences we have good opportunities to connect distinguished guests and participants from Australia, Germany, Laos, Myanmar, Russia, Thailand, Vietnam and the United States. In 2018 the conference is coming once again on November 19<sup>th</sup> and 20<sup>th</sup>, focusing on scientific exchange and best practice in economic management in mineral activities. Subthemes of EMMA 4 are as follow:

1. Organizational structure management in the mining industry
2. Financial management in the mining industry
3. Human resource management in the mining industry
4. Business strategy of the mining industry
5. Environmental and ecological protection, and sustainable development
6. Risk management, occupational safety and health management
7. Miscellaneous

We welcome all scholars and industrial representatives in these disciplines to contribute to the conference by their keynote speeches, peer reviewing, peer-reviewed papers, interesting presentations and informative posters.

Important dates of the conference:

First manuscript due: July 31<sup>st</sup>, 2018

Final manuscript due: September 5<sup>th</sup>, 2018

Conference date: November 19<sup>th</sup>, 2018

Field trip: November 20<sup>th</sup>, 2018

Paper manuscripts should be prepared in English. All submissions will undergo a blind peer review process. Only accepted papers are published in the conference proceedings and considered for oral presentation. Posters are the other alternative of oral presentations.

Authors are kindly reminded to follow the requirements for the conference manuscripts:

- Being original work that has never been submitted for publication elsewhere;
- Being between 8,000 to 10,000 words in length and prepared on A4 size papers follow strictly the proceedings template
